**SET DATE** National and County Competitions take priority (These dates will be avoided by the Fixtures Secretary).

All league matches, gala days, finals, and occasions when the Green is made available with the consent of the Management Committee to other clubs or Associations e.g. Bowls Wiltshire and Salisbury & District.

All rinks will be reserved provided rinks are available after first accommodating **SET DATE** County Competitions and on a Tuesday Evening for Club Night.

Rink 1 **should not** be used for League, National and County Matches/Competitions, unless under exceptional circumstances and with prior approval of the Management Committee.

Rinks may be booked by members on a first come first served basis. Priority may only be claimed if the rinks are already fully booked, and a rink is required for a Set Date County competition. In this case, the member must raise the matter with his or her Captain who shall allocate a rink in a fair manner and in consultation with the other Captain if necessary.

### 7.1 NEW BOWLERS

Coaching of new bowlers shall take place on Rink 1 and if numbers require Rink 6 may be used. Other rinks may be used at the discretion and with prior approval of the Management Committee.

## 8. ROLL – UPS

After first checking if any rinks are booked for Competitions, players may enter the Green and commence play first using the outer rinks 1 and 6. If these rinks are full use rink 2 then 5 and if necessary, rinks 3 and 4. This reduces the use of the four inner rinks, allowing the rinks to recover, since these are the ones used most frequently for League games and Competitions. If there are no vacant rinks available additional players may join others using rinks for Roll-ups. For visitors, Clause 10 (below) refers.

Rinks may not be booked for "Roll - Ups". Double booking is not allowed.

## **9. HIRE OF BOWLS**

Any member who uses Club Bowls shall pay a hire charge, the amount of which shall be determined by the Management Committee.

## **10. VISITORS**

Visitors who are competent bowlers may "roll up" on the Green up to four times per year on payment of a green fee. They will be deemed to be a temporary member upon signing the Visitors book. The green fee will be determined by the Management Committee, displayed on the Club notice board, and reviewed annually.

A member may invite a guest(s) to the Club for a roll-up for up to four times a year providing that:

- (a) The guest resides outside the area normally covered by the Club.
- (b) The guest is a competent bowler – this defined as currently being a member of a Bowls Club or has been a member of a Bowls Club.
- (c) To comply with insurance requirements the member must complete their details in the Visitors Book and pay the appropriate fee for rink and bowls hire.

A person attending the club to try the game of bowls will be deemed to be a temporary member upon signing the Visitors' book.

Note – A roll-up is an ad hoc game of bowls or practice strictly outside of any organised event.

### **10.1 GUESTS - NON-PLAYING**

Any disciplinary matters will be dealt with in accordance with Bowls England Regulation No.9 -Disciplinary Regulations.

All members are obligated to follow the Rules as detailed herein

### **16. SECURITY**

It is important that the building is properly locked when vacated. This responsibility rests with every member and it is erroneous to assume that nothing will happen if the building is left unlocked. When the building is open, make sure that you have a key if you are likely to be last out.

Arrangements are made for locking up in the evening and after matches. However, if you find the building unlocked when you believe it should not be so, contact a committee member so that the situation can be rectified. If a stranger enters the building challenge them, don't assume they have a legitimate reason for being there. If you are in the club house by yourself, it is sensible to lock the door from the inside. Keys for the Ladies & Men's Changing rooms are available for a returnable deposit from the Club Treasurer.

### **17. NOTICES**

Members should read the notice boards regularly. We try to keep everyone up to date but this does rely on members reading the information provided. There are also various notices of a more permanent nature around the Club which are there to assist the Club members.

### **18. CLUB EQUIPMENT**

Club equipment should be returned to its correct place after use. Currently 2m sticks, scoreboards, jacks, red and white bowl and jack indicators, mats and pushers are kept in the Equipment shed. Please ensure all equipment is returned after use and the shed is locked. Club bowls should be returned to the location from which they were borrowed. Club equipment must not be removed from the premises unless this is agreed by a committee member.

### **19. GENERAL**

The club shall adhere to the Safeguarding Policy of Bowls England and will ensure that all the contents are communicated to members and clearly displayed within the club premises for Members and Visitors.

The club has a Safeguarding Officer whose details are displayed on the notice board in the club house.

## **20. PET POLICY**

Pets or animals of any nature are not allowed inside the Main clubroom. However, Service or Therapy animals (such as Guide Dogs are welcome, except within the kitchen when food is being prepared and served, as required by the Food Standards Agency 2014 regulations.

Club members and visitors are permitted to bring their pets into the grounds of Amesbury Bowls Club under the proviso that (i) any animal is under the constant control of its owner and is at no time left unattended and (ii) the owner of such animal accepts all liability and consequence for the behaviour of the animal. Amesbury Bowls Club will accept no responsibility for any animals brought to the Bowls Club.

## **21. HELP**

There are many ways that members can help in the day-to-day activities of the Club. On match days playing equipment needs to be put out and then packed away at the end of the game. Changing Rooms should be kept tidy.

There is extensive work carried out to ensure the green is fit for purpose. This is done by a team of volunteers. If you would like to join this team, please speak to the President.

Cleaning is another obligation on Club members. The club house should be presentable prior to all matches. Cleaning should not be carried out when matches are in progress or in a manner that would disturb players.

The flower tubs/baskets are maintained by members and regular working parties attend to the numerous tasks which arise throughout the year. The list of matters which members execute for the Club is too long to itemise here, but all help is gratefully received.
